PRO-LIFE IN SCOTLAND / Help protect women and children

A public consultation has been launched on a bill proposed by Gillian MacKay MSP to bring in buffer zones around facilities that provide abortions in Scotland. Ms MacKay's proposals would **criminalise all pro-life activities** in the vicinity of abortion facilities. If this Bill becomes law, anyone taking part in a pro-life vigil in Scotland would be subject to a **6 month jail sentence for a first offence**, and up to **2 years in prison for subsequent breaches**. It is important that as many people as possible respond to this consultation.

The consultation is running until **Thursday 11 August 2022**. Please complete the questionnaire as soon as you can and encourage others to do the same. SPUC have produced a guide to help you respond to the questions included in the consultation survey.

Please visit <https://www.spuc.org.uk/scottishbufferzonesconsultation> to submit your response.
