His face shone like the sun

Jesus took with him Peter and James and his brother John and led them up a high mountain where they could be alone. There in their presence he was transfigured: his face shone like the sun and his clothes became as white as the light. Suddenly Moses and Elijah appeared to them; they were talking with him.

Then Peter spoke to Jesus. 'Lord,' he said 'it is wonderful for us to be here; if you wish, I will make three tents here, one for you, one for Moses and one for Elijah.' He was still speaking when suddenly a bright cloud covered them with shadow, and from the cloud there came a voice which said, 'This is my Son, the Beloved; he enjoys my favour. Listen to him.' When they heard this the disciples fell on their faces, overcome with fear. But Jesus came up and touched them. 'Stand up,' he said 'do not be afraid.' And when they raised their eyes they saw no one but only Jesus.

As they came down from the mountain Jesus gave them this order, 'Tell no one about the vision until the Son of Man has risen from the dead.'

PARISH HALL

Latest message from Fr. Ian, published on Facebook on Thursday night:

Good evening one and all. Just a wee "update" on the progression of the repairs. Things are going well. I was invited to have a look today and although inside our hall is more like a building site than a social venue with all the work ongoing just now, progress has been good.

I am meeting tomorrow with Eamonn for an official "walk around" and I will be brought up to speed with work completed, repairs pending and hopefully a possible re-opening date..... we'll see. Thanks for your patience. God bless.... Ian

As previously advised, please do not approach the hall (nor the workers) and please avoid parking next to the hall entrance to allow the workmen, vans and skip to get access.

ROOM FOR REFUGEES

This is some details about a refugee who is in need of assistance.

Jurgita is 44 years old. She is from Lithuania and has been living in the UK for 14 years. After Brexit she applied for status on the EU settlement scheme but was refused, so now she has no access to legal work, benefits or homelessness assistance. She was a live in carer for an elderly man in Wishaw but when he died in September last year she was locked out of the house and lost most of her belongings, including her passport. She went into homeless accommodation but was evicted in early June this year because she hadn't been able to pay the rent of £80 per night.

The Room for Refugees group have been hosting her through their Room for Refugees project, but now have no available hosts. She needs a place to stay while her immigration advisers help her submit a new EU Settlement Scheme application. Her first hosts have offered to host her again towards the end of August when they come back from their holiday.

She does not smoke, drink or use drugs and has no health conditions we are aware of, although her homelessness and the grief of losing her friend and home so quickly still affect her.

She is Catholic and has been going to mass wherever she has stayed. If you can help in any way, please speak to Fr. Ian.
